## Moscato

### • California

Pale yellow in color and aromatic with fresh scents of peach, pear, apricot, star fruit and marzipan. Pleasantly sweet and slightly effervescent this wine is bursting with peach, apricot, ripe apple, pear, citrus and melon flavors. This easy dining 100% California Moscato is well balanced and offers a lingering and fresh finish.

### Food recommendations

We have enjoyed this wine with an assortment of cheeses and fruits, honey-glazed ham, roasted duck with mandarin orange sauce, spicy Korean BBQ, grilled squab or grilled abalone with apricot walnut butter sauce, buttermilk marinated fried chicken, apple-wood smoked poultry, or a simple Asian chicken salad.

Tarrica Wine Cellars "Sweet Disposition" California Moscato was fermented slowly at low temperatures, in 100% stainless steel tanks to ensure both the fruit and freshness of this wine.
